TOTAL DOCUMENT SOLUTIONS

SP C210sF

THE MOST VERSATILE CANDIDATE
FOR YOUR OFFICE

Aficio™

Affordable, versatile, colour document production

A small workgroup has to function effectively in order to help maintain your business's competitive edge. Deadlines are critical, costs are keenly felt, and document devices in this environment have to demonstrate the ability to tackle several tasks at once, as well as giving value for money and reliable service.

The multifunctional Nashuatec SP C210sf offers the perfect solution to these demands. Affordability combined with fantastic speed and versatility means that you can have print, copy, scan and fax functionality all in one network-ready, colour capable device. Compact design, easy installation and network connectivity make ownership simple and flexible from day one. A productive and flexible colour multifunctional product (MFP), the Nashuatec SP C210sf is the essential performer for your office.

Nashuatec's unique approach links people with knowledge and expertise, combining our wide experience of innovative, document related Products and Software solutions with our world class Business and Professional Services to deliver the best Total Document Solutions for your business.

Utilise the impact of colour when you want your documents to stand out

With its compact footprint, the SP C210sf will easily integrate into your office environment

Print, copy, scan and fax in minutes with easy installation and straightforward network connectivity

All-in-one productivity with print, copy, scan, and fax

Reduce your Total Cost of Ownership (TCO) with one space-saving multifunctional product to replace separate printers, copiers, scanners, and fax machines. The Nashuatec SP C210sf produces professional-looking colour documents quickly and efficiently and is ideal for any small busy office. In addition to this its compact footprint means it can easily be placed in a convenient, accessible location.

Strengthening documents with colour

Make sure your documents get noticed with the colour capable SP C210sf. You can produce your everyday documents quickly and add a splash of colour when needed. Using colour will make all the difference to how documents are received, particularly enhancing readability and information retention.

High print performance for greater productivity

If documents are produced faster, your office can be more efficient. With fast 8 pages per minute (ppm) colour and 31 ppm black and white production, the SP C210sf will meet your document needs for printing, copying, scanning and faxing. Documents are produced on demand, and an enhanced memory allows for even faster processing of larger documents.

Highly reliable and easy to use

When you depend on one device to perform a variety of functions, ease of set-up and reliability become even more important. Share documents simply by using the versatile scanner, which distributes documents digitally to either a network folder, email address or any fax number via the device's control panel. Furthermore, maintenance of the SP C210sf is easy, the optional high-capacity paper tray ensures uninterrupted print runs and individual colour toner cartridges are easily changed.

Simple network connection

The SP C210sf will also be up and running instantly with straightforward set-up and network integration. Connect directly to your PC via the high speed USB port, or to any major network with the built-in Ethernet port. Whether being installed for a single user or for a workgroup, the device will be ready in minutes.

Outstanding Software and Services

Complementing the SP C210sf, Nashuatec offers a superb range of Software Solutions and Services, which are designed to add value and ensure that our devices continue to operate seamlessly and reliably. Covering all aspects of your business, including document management, network control, consultancy, training and unrivalled support, these innovative products and services offer a tailor made solution to improve productivity, workflow efficiency and cost control throughout your organization.

Aficio™

The Nashuatec SP C210sf bears the Aficio Symbol – your sign of digital technology, innovation and customer support in action.

GDI

Resolution

600 x 600dpi/2,400 x 600dpi

Warm up time

Less than 45 seconds

First print speed

Black and White: Less than 14 seconds
Full Colour: Less than 20 seconds

Memory

Standard: 64MB
Maximum: 576MB

Connectivity (standard)

Ethernet 10 base-T/100 base-TX
USB 2.0
Parallel Port Bi-directional IEEE1284

Network protocol

TCP/IP

Supported networks

Windows® 98/Me/NT4.0/2000/XP

Paper size

A4, A5, B5, Letter

Paper weight

Standard paper tray: 60 - 210g/m²
Optional 530-sheet paper tray:
60 - 105g/m²

Paper input capacity

Standard: 250 sheets (80g/m²)
Maximum: 780 sheets (80g/m²)

Paper output capacity

Standard: 250 sheets

Media

Thick paper (210g/m²), Special paper (transparency, envelope, glossy, label)

Toners

Black: 9,800 prints¹
Colour (C,M,Y): 6,500 prints¹
The SP C210sf ships with a starter kit

¹Based on 5% coverage.

Duty cycle

30,000 prints per month

Power source

220 - 240V, 50/60Hz

Power consumption

Operation: Maximum 1.3kW
Energy saver mode: 16W
Standby mode: 155W

Dimensions (W x D x H)

482 x 437 x 534mm

Weight

Approximately 34.8kg

Copier

Copy speed

Black and white: 31 copies per minute
Full Colour: 8 copies per minute

Resolution

600 x 300dpi (maximum 600 x 600dpi)

Multiple copy

Up to 99

First copy speed

Black and white: Less than 20 seconds
Full colour: Less than 30 seconds

Zoom

25 - 400% (in 1% steps)

Scanner

Scan modes

Colour (24 bit), Greyscale (8 bit)

Resolution

Maximum:
9,600 x 9,600dpi (interpolated)
Platen cover:
Up to 1,200 x 2,400dpi (optical)
ADF: Up to 1,200 x 600dpi (optical)

Original Size

Maximum size A4

Bundled drivers

TWAIN

Fax

Circuit

PSTN, PBX

Compatibility

ITU-T (CCITT) G3

Modem speed

Maximum 33.6Kbps

Compression method

MH, MR, MMR

Speed dial

200 numbers
